Introduction

Muhammad's Kitchen is a project initiated and powered by "World Appeal" which is a registered charity headquartered in the UK. Founded in 2011 by a group of altruistic individuals committed to making a difference to the neediest and most vulnerable in society.

Our aim is to ensure that no one sleeps hungry at night regardless of their colour, race, gender or religion in accordance with the teachings of our beloved prophet Muhammad (PBUH).

"It is reported in a hadith that Prophet Muhammad said, "Feed the hungry, visit the sick, and set free the captives. [Bukhari]"

Islam advocates feeding the hungry, regardless of race, religion or background. The Prophet Muhammad (pbuh) said a person is not really a Muslim if he goes to bed satiated while his neighbour goes hungry.

Please support our cause and help us provide continued service in providing food and Water to the hungry locally and around the world.

The Prophet Muhammad (pbuh) said

"Feed the hungry, visit the sick and set free the captives." -
Sahih Al-Bukhari, Volume 7, **Hadith 552.**

Hot Meals & Soups

Food insecurity is a significant global challenge that has become an increasingly important national and domestic policy concern.

UK has many locations and Luton is one of the named homelessness blackspots where shocking statistics reveal that it has over twice the number of people living on the streets than any other town in the East of England, according to homeless charity Shelter.

The study by the charity finds that Luton has 3,458 people living homeless in the borough, which equates to just 1 in 65 people. The results mean that Luton is one of the top homeless blackspots in the UK. (Luton Today)

In the UK, the rise of Food Banks and people accessing support for essential food items has been a growing concern for over a decade.

Austerity and structural policy changes such as benefit sanctions have left people struggling to make ends meet. World Appeal is committed to tackling food inequality through the provision of hot and cold meals by supporting Food Bank collections and soup kitchens to ensure those struggling do not go hungry.
